

Eaton Construction,

Thank you for the opportunity to provide a quote for post-construction cleaning services. Based on the information provided, below is our estimate for a **6,235 square foot commercial building**.

Company: ProCare Clean

Contact: Janey Russell

Phone: (865) 237-1464

Email: procarecleanknoxville@gmail.com

Project Location: I.T.B. Oak Ridge – Elks Enrichment Center, Oak Ridge, TN 37830

Building Type: Commercial

Square Footage: 6,235 sq ft

Service Type: Construction Cleaning

Scope of Work

General Cleaning

- Removal of construction dust and light debris
- Dusting of walls, ceilings, vents, light fixtures, and surfaces
- Detailed cleaning of baseboards, trim, doors, and frames
- Light trash removal and proper disposal of non-hazardous residue

Floor Care

- Vacuuming and mopping of all hard floor surfaces
- Spot removal of paint, caulk, and adhesive residue
- Carpet vacuuming (if applicable)

Windows & Glass

- Interior window and glass cleaning
- Removal of stickers, dust, and residue

Restrooms & Break Areas

- Deep cleaning and sanitizing of toilets, sinks, and fixtures
- Mirrors polished and surfaces disinfected
- Countertops, cabinets, and sinks cleaned

Pricing

Construction Cleaning Rate:

\$0.50 per square foot

Rough Clean - \$2,182.25

Final/Sparkle - \$935.25

Total Payment of 6,235 sq ft $\times$ \$0.50 = **\$3,117.50**

Terms & Notes

- Includes labor, standard cleaning supplies, and equipment
- Does not include heavy debris removal, hazardous materials, or lift-required areas unless quoted separately
- Eco-friendly products available upon request

We take pride in delivering detail-focused, reliable cleaning services that prepare commercial spaces for occupancy. Please feel free to contact me with any questions or to schedule a walkthrough.

We look forward to working with you.

Kind regards,

Janey Russell
