- Performance and payment bond (add 1%).
- Any disconnects shown to be furnished with HVAC equipment per mechanical drawings and specs.
- Offsite removal of spoils.
- Unforeseen Conditions.
- Any trench rock removal (horizontal and vertical).

Clarifications:

In the event of a significant delay or price increase of material occurring prior to the issuance of a contract to Comfort Systems USA Shoffner, Inc. through no fault of the company, the contract sum, time of performance, and contract requirements shall be equitably adjusted prior to the consummation of any contract agreement. A change in price of an item of material shall be considered significant when the price of an item increases >5% percent between the date of this pricing proposal and the date of contract is issued to Comfort Systems USA Shoffner, Inc.

This proposal is valid for (15) calendar days from the submission date. We thank you for the opportunity to present this proposal and trust that it meets with your approval. If you should have any questions or comments, you may contact us at 865-523-1129.

Sincerely,
Comfort Systems USA Shoffner, Inc.
